SUB : Letter of Appreciation

Sir,
Greetings from Dhemaji Polytechnic.

I on behalf of my institute, would like to express my sincere gratitude for allowing our 3rd semester Mechanical Engineering. Students to visit your plant on 27/12/2022. It was a very nice experience and our students were highly benefited from this visit.

I would also like to thank all your Engineers and staff for talking out time from their busy schedule and actively engaging themselves for enriching the minds of our diploma students.

Thanking You,

Yours Sincerely,

ABenul
